

Planter

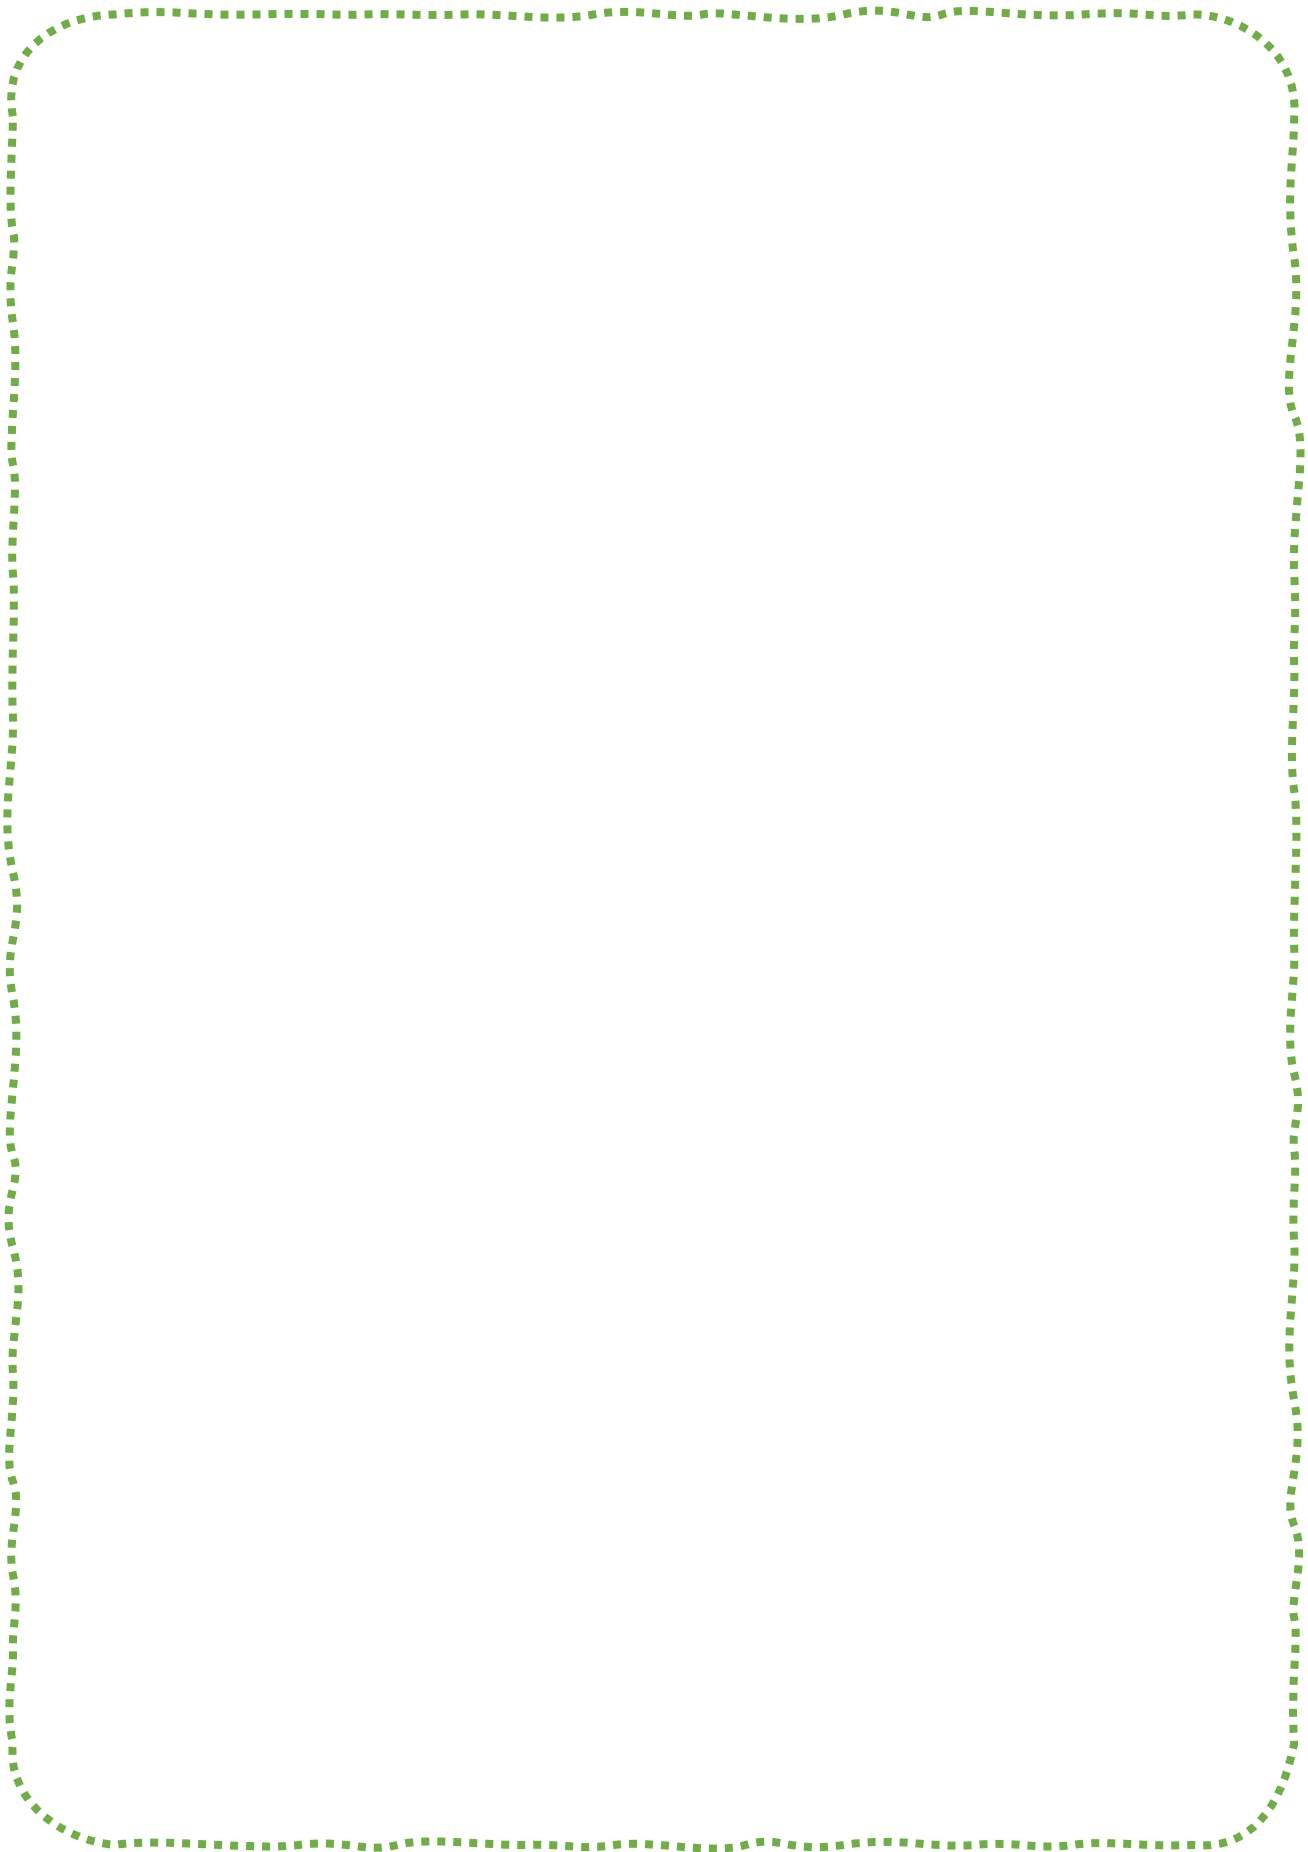

Navn:

Klasse:

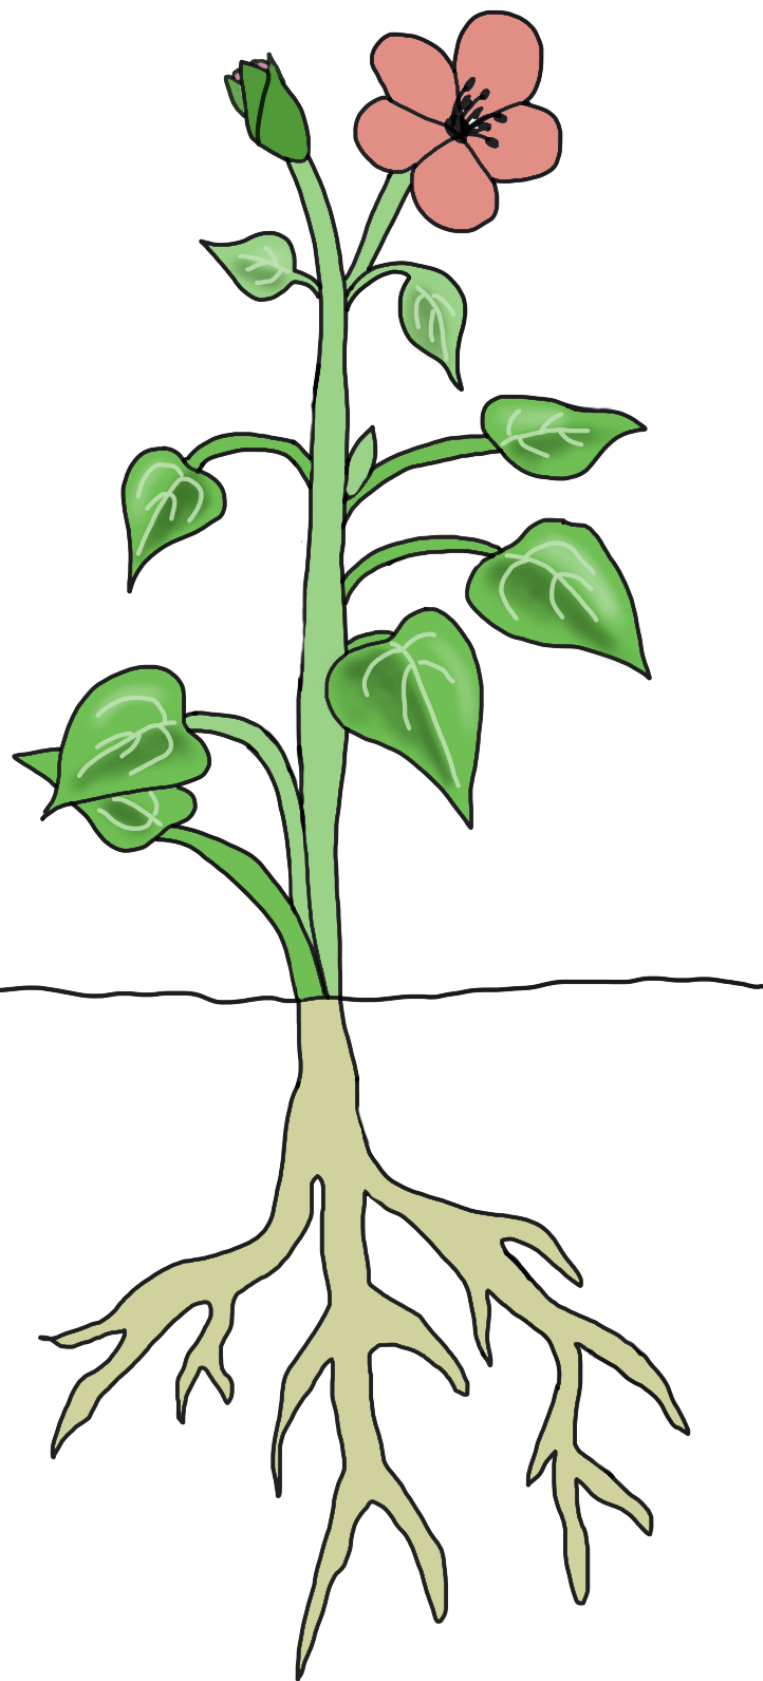

TEGN EN PLANTE

DELE PÅ EN PLANTE

Sæt en streg fra ord til det rigtige sted på planten

Blomst

Knop

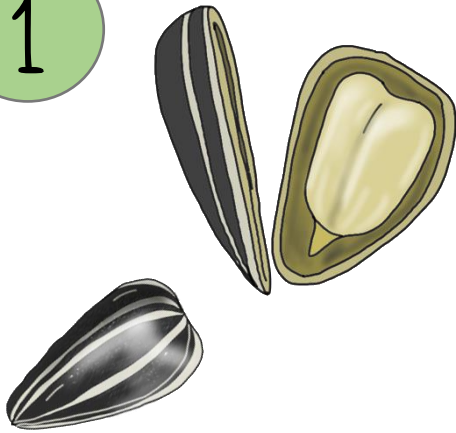

Rod

Blad

Stængel

SÅDAN VOKSER PLANTEN

1

FRØ

Inde i frøet ligger en lille plante klar til at komme ud, når det kommer i jorden.

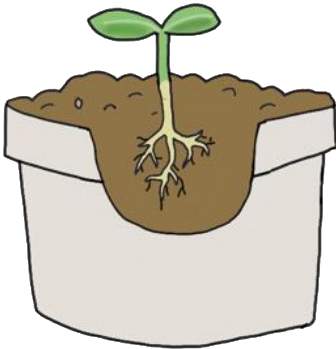

2

ROD

Der kommer en lille rod ud af frøet

3

SPIRE

Planten vokser opad. Roden vokser nedad. Der er to blade på.

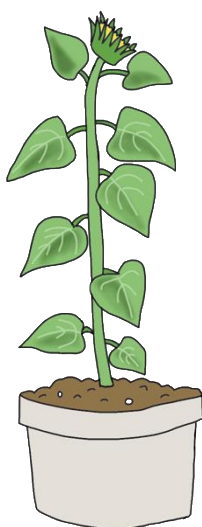

4

BLADE

Der kommer flere blade på. Den bliver større.

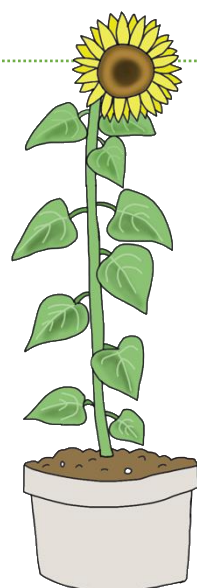

5

UNG PLANTE

Planten bliver større. Det gør roden også. Der er ved at komme blomster på.

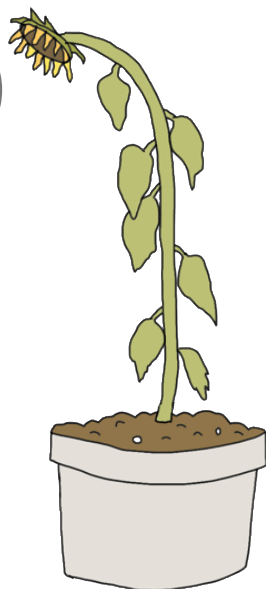

6

VOKSEN PLANTE

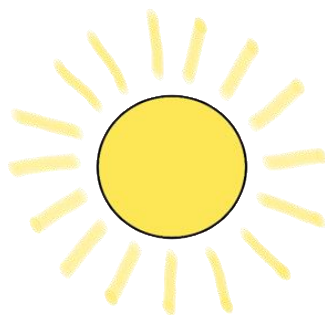

Planten er stor. Der er kommet blomst på. Snart kommer der nye frø i blomsten.

7

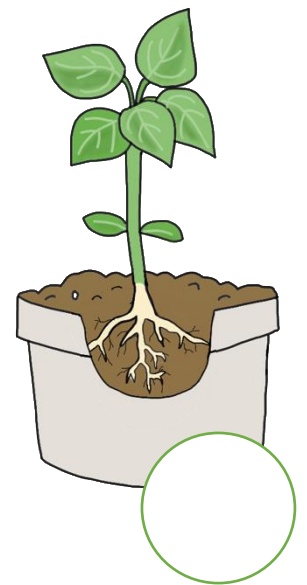

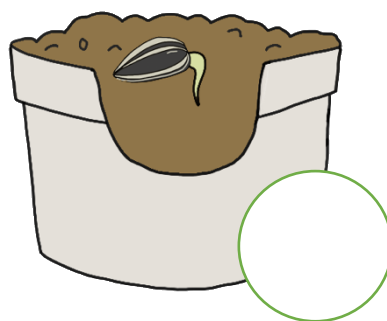

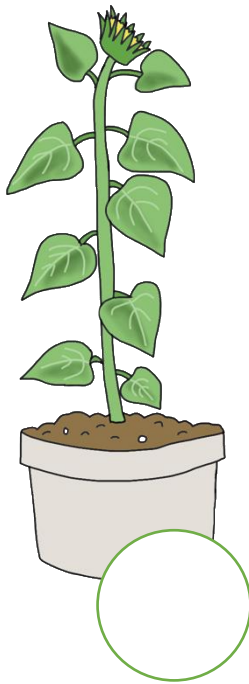

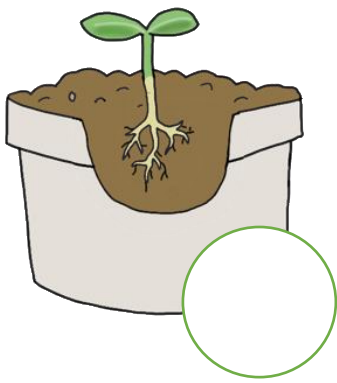

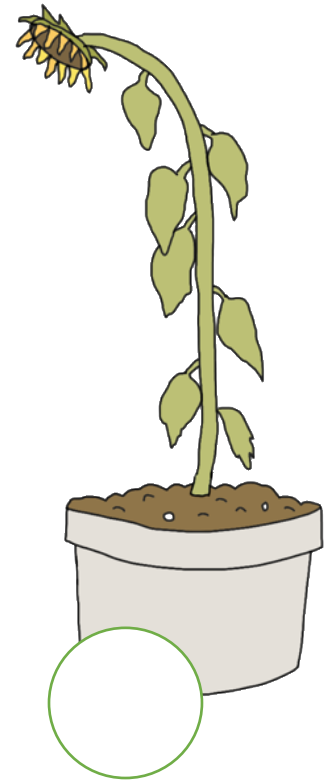

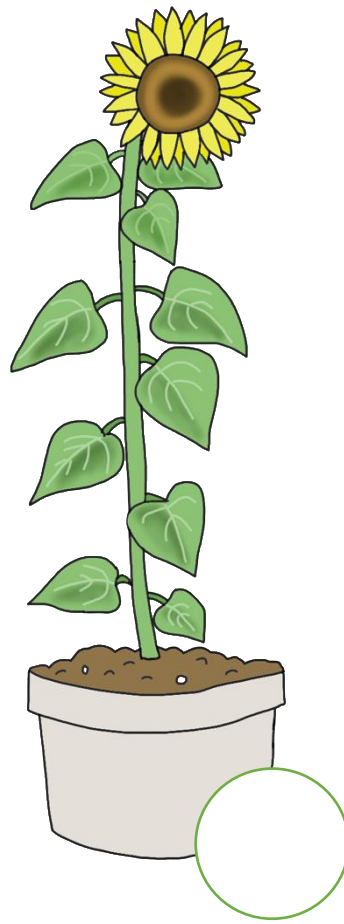

PLANTEN VISNER

Planten visner og frøene falder ud. De kan blive til nye blomster.

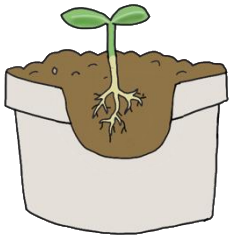

Hvad kommer først?

Skriv tallene fra 1-7. Skriv 1 ved det, der kommer først, 2 ved det, der kommer næst osv.
